SHIPSTORE *express*

SHIP SMARTER. SHIP FASTER. SHIP BETTER.

The **SHIPSTORE** *express* web-based platorm, much like its big brother, **SHIPSTORE**, makes shipping fast and easy, yet without the expense of the full-featured **SHIPSTORE** platform.

With **SHIPSTORE** *express* you can:
- Rate shop all carriers
- Easily import orders eliminating manual entry
- See all data in one spot for easy acess to reporting
- Enjoy quick set-up
- Take advantage of heavily discounted rates

" **SHIPSTORE** *express* multi-carrier and multi-mode platform ensures you get the best price and transit with every shipment. Our shipping software automates and streamlines your process to save you time and money. You can develop custom business rules that apply to your specific needs. Our volume and relationships get you the best possible rates from USPS, DHL and more. Whether you ship domestically or internationally, we have you covered. **"**
